

## Who or which?

1. Write the words into the right circle.

inventor • invention • thing • person • machine • man • woman • phone • girl • boy • shop assistant • device<sup>1</sup> • house • friend • school • teacher • school bag • smartphone

2. Add more words to the circles.

3. Choose four words (two from the left circle and two from the right circle) and make sentences with 'who', 'which' or 'that'.

A smartphone is a device which can send texts.
