

### **Wochenplan:**

- **Vocab.** p. 264 *stand – write* (all the forms + translations)
- Look at how to write a cover letter again on p. 177.

### **Additional practice for the exam:**

- Write a **cover letter** or one of the job advertisements you got and have someone read it. You can use the **grid** you got before the holidays to give feedback.
- Do the reading comprehension task you got in class last week or ask Mr. Horn for another.
