

Week 31

Level 1

Please only start working on these exercises after we have had class on Wednesday!

1. **Copy** the new words and **study** them (see extra file “New words” below the weekly plan).
2. **Check** whether your partner knows all the new words by heart. If you have trouble remembering some of them, come up with a mnemonic (*Eselsbrücke*) together.
3. **Read** these chapters:
 - 22: Red Versus White (p. 140)
 - 23: Wake (p. 146)
 - 24: Valentine Heart (p. 163)

4. Choose one of the chapters and **explain its title.** 
5. **Write a profile of Junior’s grandmother** based on the information in chapter 22 as well as what you already knew about her before reading this. Try to include good adjectives!

Write 80-120 words. 

6. **Discuss** the tragic irony of her being killed by a drunk driver. 
7. As a group, decide on 10-15 important **new words** in the chapters. Write them down (including their translations!) and send them to hahn@hsgms.de. 

Level 2

8. **Explain** the cartoon on page 143 in connection with the text (p. 143, l. 18 – p. 144, l. 3).
