

Week 2 – Diversity in South Africa

Level 1

1. (solo work ☺) Copy the **new words** from *(back) then – national holiday* (p. 211-212) into your vocabulary folder and study them.
2. (partner work ☺☺) Copy the **blue box** German “Möglichkeit” (p. 211) as well and make sure you have understood it. Make **5 gap sentences** (*Lückensätze*) for your partner – the solutions have to be *opportunity/chance, way and/or possibility*.
3. (solo work ☺) Choose *one lesser-known country* on the list (“English around the world” - see the next page!) and **prepare a short (ca. 3 minutes!) presentation** about it.

Make sure to include these information:

- Where is your country?
- How is English used there?
- What is the country known for / what is special about it?
- Something interesting that you have found during your research.

There is no need for a poster/visuals unless you want to include something special, but you should be prepared for the next class when we will have some of your talks.

If you want more **help**, check book p. 138/139.

Level 2

4. (solo work ☺) **book p. 11 nr. 3ab** (check book p. 103 for more help or, if the task is too easy, more challenge!)

Write 100-150 words. If you want feedback, send your text to hahn@hsgms.de.
