

Week 3 – South Africa: then and now

Level 1

1. (solo work 😊) Copy the **new words** from *in the wild - creature* (p. 212-213) into your vocabulary folder and study them.
2. (partner work 😊😊) Create a **mock vocabulary test** for your partner featuring at least 10 words. When you're done, exchange and solve it!
3. (solo work 😊) **Workbook:**
 - p. 3 nr. 1
 - p. 4 nr. 2+3 (as always, feel free to send me your text!)

4. (solo 😊 or partner work 😊😊) **book** p. 13 nr. 3b (answer the questions in 1-3 sentences!)

You can watch the video here: <https://www.youtube.com/watch?v=ShL1BR4zccQ> – enjoy! 😊

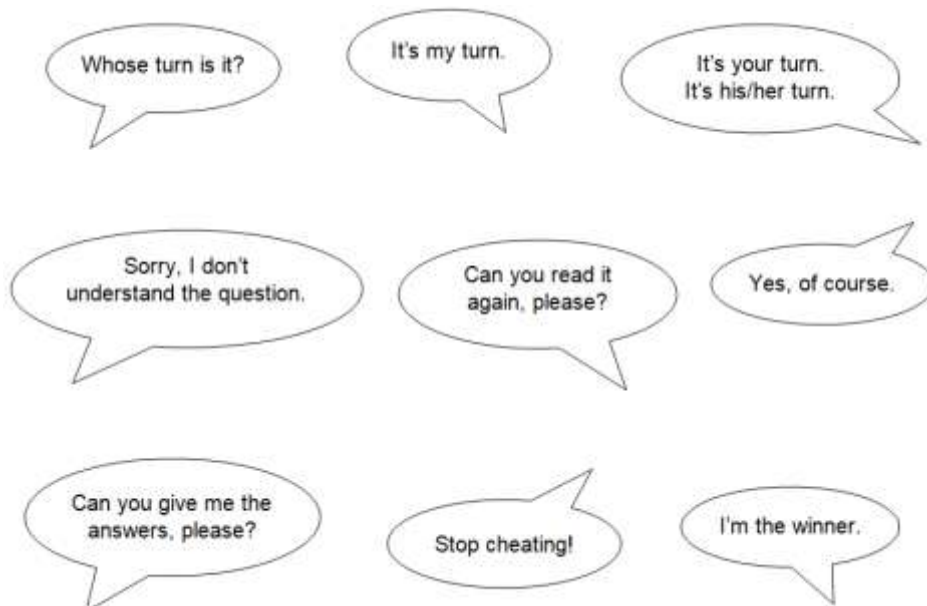

5. (partner 😊😊 or group work 😊😊😊) **GAME TIME!** Get the question cards for the „**English speaking countries**“ **quiz**. Turn them around so that you can't read the questions and shuffle them.

Decide who wants to start (A). The other person (B) picks a card and reads the question out loud. If partner A knows the answer right away, he/she gets 3 points. If he/she needs to hear the two suggestions (on the card below the questions) and chooses the right one, he/she gets 1 point.

Whoever has 15 points first wins!

Have fun! 😊
