

Week 33

last weekly plan EVER

Level 1

1. (partner work 😊😊) Who is this grumpy looking fella? Have you seen him before?
2. (partner work 😊😊) Discuss what you already know about Edgar Allan Poe. If you want, read up on his biography (just google him!).
3. Let's turn to one of his best-known short stories, „The Tell-Tale Heart“. As always, you can find it underneath your weekly plan. Read the text – probably two or three times – and make sure you understand everything.
4. Look up new words - if necessary and add their translations to the text. Then copy all new words into your vocabulary book.
5. (partner 😊😊 or group work 😊😊😊) Answer questions 1-5 in complete sentences. Exchange and discuss your answers with a partner or a group.

Level 2

6. You can find pretty much all of Edgar Allan Poe's stories on the internet. Read at least one more and sum it up in 2-3 sentences.
